Request for Special Priority Status Due to Abuse and/or Trafficking

Housing Services Act, 2011

O.Reg. 367/11, Sections 53-58.1

Purpose

Use this form to request inclusion in the Special Priority Household Category where a household member:

- Has been abused by an individual described in the Housing Services Act and intends to live permanently apart from that individual; or
- Is being or has been trafficked.

This form must be submitted together with, or in relation to, an application for housing or housing assistance.

Household information, income information, and housing preferences are collected through the housing application and do not need to be repeated on this form.

Important Information

Most applications require a verification record from a qualified professional, agency representative, or another person familiar with the circumstances.

However, under the Housing Services Act regulations, Algoma District Services Administration Board may determine that a written verification record is not required where:

- Obtaining a written record would place the applicant at risk;
- Obtaining a written record would place the person providing verification at risk; or
- Extenuating circumstances exist.

If you believe one of these situations applies to you, complete the Alternative Verification Request (ADSAB-SP-ALT).

Step 1 – Select the Priorities You Are Eligible For

- ☐ I believe I am eligible for a special priority due to abuse. **Complete Sections 1–4 & Section A.**
- ☐ I believe I am eligible for a special priority due to human trafficking. **Complete Sections 1–4 & Section B.**
- ☐ I believe I am eligible for a special priority due to both abuse and human trafficking. **Complete Sections 1–4 & Sections A & B.**

Step 2 – Provide Verification of Abuse and/or Human Trafficking

- ☐ Verification of abuse, to be completed by a qualified professional, agency representative, or another person familiar with the circumstances. **Complete ADSAB-SP-A.**
- ☐ Verification of human trafficking, to be completed by a qualified professional, agency representative, or another person familiar with the circumstances. **Complete ADSAB-SP-B.**
- ☐ Alternate Verification Request. I am unable to obtain a written request because:
  - It would place the applicant at risk;
  - It would place the person providing verification at risk;
  - Extenuating circumstances exist.

  Complete ADSAB-SP-ALT.
