

## **Board Member Recognition**

### **Purpose:**

The Algoma District Services Administration Board supports the goal of recognizing the contributions of Board members by providing appropriate recognition to long standing Board members or those members who have provided exceptional service to the Board.

This acknowledgement shall be achieved using individual service awards. The awards will be provided once it is clear the member will not be returning to the Board. The Chair of Algoma District Services Administration Board shall present Service awards to individual Board members. Recognition will occur after serving 2 terms, 3 terms, 4 terms and 5 terms or longer.

Recognition will occur at an annual Board member recognition dinner. The Board will assume the cost of the dinner. The arrangements for the recognition dinner will be the responsibility of the Director of Operations and Support Services Unit Manager.

**Service:** The calculation of terms of service will recognize any partial terms.

**Exceptional Service:** Any member of the Board may confidentially recommend to the Board Chair the name of a member for recognition of exceptional service. The Board Chair will confirm the appropriateness of such exceptional service recognition by consultation with the other members of the Board.

### **Guideline Description Of Awards**
