

## Algoma District Services Administration Board Conseil d'administration des services du district d'Algoma

The Algoma District Services Administration Board's (ADSAB's) mission is to provide effective and efficient Social and Paramedic Services, responsive to diverse individual and community needs. Our organizational vision is strengthening the social, health and economic wellbeing of the citizens we serve, to promote sustainable, healthy communities in the District of Algoma. We service 20 organized municipalities and the unorganized townships within the geographic District of Algoma.

### **Primary Care Paramedic Recruitment**

We are currently recruiting qualified Ontario A-EMCA Paramedics for upcoming vacancies with our land ambulance division, **Algoma District Paramedic Services**. We have Paramedic Stations located in our Eastern Division communities of Elliot Lake, Blind River, Thessalon and Richards Landing, and in our Western Division communities of Wawa, Dubreuilville, White River and Hornepayne. We are anticipating several part-time employment opportunities, the majority likely being in our Western Division.

Please visit our web site: <https://www.adsab.on.ca/en/our-paramedic-team/recruitment/> for our application package requirements, as well as information on our selection process.

To be considered for our upcoming selection process in January 2021, please ensure that your application is submitted via e-mail to: [hrdepartment@adsab.on.ca](mailto:hrdepartment@adsab.on.ca), no later than Monday, January 4, 2021.

*If you have previously applied for employment with our service, please be advised that we do not retain application information after six months, and we would encourage submitting an updated application package for this current recruitment process.*

Bilingualism is considered a strong asset for employment with our service. We thank all applicants; however, only those selected for pre-employment evaluations will be contacted. Accommodation for candidates with disabilities will be provided upon request for the interview and testing process.
