Households only receive **one** offer of subsidized or market housing. Therefore, it is very important that you only select the sites where you would accept an offer. However, you can apply for both types of support. If you refuse an offer of the AHS, you will remain on the list for the housing selected below.

Affordability:

Subsidized = Rent is geared to your income

Market = No Subsidy, Market Rent is charged

Affordable = Rent is 75% of the average market rent for the area
